

Underpaying Women Doesn't Pay Off

Read the latest about the \$215 million settlement against Goldman Sachs [here](#).

Our *latest podcast episode*: “Helping People Stay Accountable to Themselves” features Beth and Dianne in conversation with [Susan Levin](#), president of Dialogue for Solutions. Susan is a global consultant who helps clients use their strengths to get great results. She’s helped thousands of employees be more productive and make a difference in their organizations.

“I love C-Sweet! I introduced a few colleagues to the organization recently and they thanked me for the intro. They, like me, are asking the question, “Am I dreaming? Seems too good to be true...” But C-Sweet is very real and too good not to be true!”

"I can't express how valuable the Women on Board Certification Program was thru Michele Ashby's LLC. I got so much out of the course with additional education, board preparedness, refresher on corporate financial statements, board governance and bylaws, terms and conditions, board compensation and structure, all while teaming on-line with an amazing group of peers. The affiliation between C-Sweet and Michele's LLC Ambassador program made a career goal a reality."
